### Fla Press Ass'n Awards HERALD Community Service Plaque

The BELLE GLADE HERALD has received a bronze plaque with the "Community Service Award" presented by the Florida Press Association.

This is, we are told, "First Prize Award" by the Association of Florida's Weekly Newspapers, and the judging was

done by a large committee of out-of-state newspaper officials. The papers submitted for the contest were those in the National Award category.

The HERALD is proud of this recognition and we assure our reading public that the combined efforts of THE HERALD's associates and employees are represented in this effort.

### Three Persons Get \$5 Prizes

Out of several score called, three persons each won \$5 for properly answering questions in the HERALD page ad for the past week.

Mrs. Cora G. Price of 808 N. W. 19th Street, was awarded \$5 for answering correctly a question concerning the ad of Glades Cleaners.

Mrs. Elene Fliehs was given \$5 by Hollingsworth's Shoe Store when she answered the question concerning the Hollingsworth ad.

The Glades Travel Service gave Mrs. Rudolph Jeffers of 317 N. W. Avenue K the \$5 prize for being observant enough to answer the question concerning their ad.

All answers are contained in the several ads on Page of the HERALD.

Read them all; you may be one of the two to receive \$5 this week.

### Teen Town Slates Top State Band Saturday Night

The Teen Town dance this coming Saturday night promises to be a real treat for the young set. It will feature a welcome home dance for all the college kids with music by the Ar-Dell Band, voted top band of the Florida Band Stand. Dancing will be from 8 to 12, at the Community Center.

Teen Town will be busy throughout the month of December with various activities on Dec. 8, 22 and the 28th. On Dec. 28 the big holiday dance of the year will be staged with the top band of the state furnishing the music. This event will be something that has never before taken place in Belle Glade. At this time Teen-Town will honor the Golden Rams, the Cheerleaders, the majorettes, and the Belle Glade Band.

Teen Town board members were elected the first of the month. Mickey McKee was elected chairman. Sherry Knight secretary. Paul Bailey, treasurer. Albert Kruse, publicity. Frank Pritchard, social chairman for senior Teen Town and Jerry McWhorter social chairman for Junior Teen Town. Mrs. A. B. McGraw is sponsor for Teen Town and the Adult Advisory board consists of Rev. L. D. Loring, Richard Hayes, Burns, Miss Janice Bottoms.

### Civil Defence Group Gets Busy

The City Commission, acting on a recommendation of the City Manager, following a trip to Tallahassee where the Governor outlined a current plan for activating the Civil Defence of the State, appointed a five-man Council of civilians.

The group will meet, select a Chairman and study the national plan, as well as that outlined by the Governor, and attempt to outline a plan of action locally.

Those appointed are "Herman Close, Frank Dooley, Doug Wooten, Dr. John Grady and Bob Wood.

### Another Bank Needed Say 60 In Tues. Meet

At an announced meeting, which the public was invited, Tuesday night at the Armory, sixty Glades citizens emphatically indicated that, in their opinion, the community around Okeechobee needs another commercial bank.

"Without intense solicitation and profuse advance publicity, gathering sixty persons to discuss any subject in the Glades at such a busy time is quite an accomplishment," said one older.

The purpose of the meeting as announced by Temporary Chairman McCabe is "to see if there are sufficient folks interested in having another bank."

Following agreement by the audience, a Committee was appointed, with the request that a reliable report be obtained and suggestions be submitted for discussion.

Further public meetings will be called on suggestion of the Steering Committee.

Information available in the Glades is that both the State and National charter-granting agencies will entertain an application from such a group as gathered Tuesday night.

Among the group were merchants, business men, farmers, brokers, packing house operators, laborers and office workers.

A longtime resident and business man said, "If these newspaper stories of the millions — a hundred or more — being invested in the Glades are true, then another bank certainly should find deposits and business."

This sentiment apparently is general with the crowd that showed up at the Armory Tuesday night.

The temporary organization Committee, composed of the Mayor, Gene McCabe, Chairman, Edgar Wilfer, Curtis Thompson, George Tucker, Harold Rabbin, Mrs. Paul Sasser, and Frank Dooley.

City Commission has granted a pay raise to City employees to correct inequities in pay and classification.

When the plan of classification and pay recommended by the expert brought in, was adopted by the Commission there were found inequities. To correct these, the recent action was taken.

### BGH Coaches, Take a Bow!

KNEELING — Therrell Luke, Paul Santillo, Stanley...

Harry Davis, Bill Burke, Luke Thornton.

The Rams' particularly fruitful football season brings the spotlight on Belle Glade High School coaches who are being commended by the players, student body, faculty and the entire community for their performance this year.

"Not only are these men outstanding as coaches, but they are also fine teachers," Principal Felton Morris said. "Coaching responsibilities are in and above the full time teaching load assigned."

These coaching responsibilities do not end with the close of the football season; each coach works three sports during the year. Coaches Luke and Santillo will begin basketball immediately following the football season. All coaches will share their responsibilities with spring sports, which include baseball, track, golf and possibly tennis.

The community is reminded that the same enthusiastic support is needed by the coaches and student body of Belle Glade High throughout the year and years to come.

Head Coach Bill Burke played football at the University of Mississippi. He became head coach at Moss Point High School for several years before coming to Belle Glade as back field coach. Davis became Athletic Director this year. He is the Physical Education teacher and track coach at Belle Glade High.

Coach Paul Santillo played football at Youngstown University and Quantico Marines. He coached last year at Jackson Melton High School in Ohio before coming here as line coach. He has already established himself.

(Continued On Page Eight)

### Mausoleum Plans New Construction And Expansion

The Board of Directors of the Foreverglades Mausoleum Garden announces that construction of a Chapel and completion of three crypt buildings are planned for the immediate future.

The firm's architect has been asked to complete construction plans for the Chapel, and the three building for which foundations are already in, will be completed. When this is done, the total number of burial spaces will be 646.

Office and administrative space on the grounds are a part of plans for immediate construction.

The announcement states: "Prices at which the spaces are being sold are much lower than similar offerings on the coast. The trust fund for perpetual care, deposited from each sale, under the direction of the State of Florida, insures each purchaser of perpetual care."

Jerry Gummere, Manager of the Mausoleum, has offices in the Seminole Life Building on Avenue E.

### Joe Freedlund Dies Wednesday

Joseph Irving Freedlund, aged 60 died Wednesday afternoon at his home in Belle Glade, following a prolonged illness.

Since August of 1960 when he suffered a severe heart attack, Mr. Freedlund has been under constant treatment for malignant lymphoma (Hodgkins Disease).

While a student of Georgia Tech Mr. Freedlund joined his father's construction firm in Miami.

As an employee of The Fuller Co., he rose to the position of Foreman on the Astoria Life Building in Hartford.

Following a time as farmer with his brother and father-in-law Maurice and H. H. Hart, Mr. Freedlund became busy as a builder in the Glades specializing in packing houses and pumping stations.

He is survived by his wife, Edith Hart Freedlund, two daughters, Mrs. M. J. Woolley, stationed at NORAD in Oklahoma City, and Mrs. Charles Doll of Jacksonville, and eight grandchildren; his mother, Mrs. (Continued On Page 8)

The Belle Glade Golden Rams are Conference Champions!

The game Wednesday night ended in a 14-14 tie.

They appeared to be observers in the first half, with their observation of tricks by Peacock interrupted by penalties that resulted from illegal acts of their own.

The first half ended with the score 7 to a Big Goose egg, as result of Peacock's passing and repeated end runs through the same successive holes. Ram tacklers would tag Peacock and then look with amazement at him running yards down the field. Ram blockers were most ineffective.

The second half found Pahokee facing an entirely different team — one which appeared to belong in the same conference with Pahokee.

Mr. Close began functioning with some protection and blocking given him in his own run and in his passing.

Two touchdowns were made by the Rams, one earned by football and the second when the Rams capitalized on breaks in the Pahokee line.

By allowing Pahokee to tie them, the Rams came out on top in the conference scoring, and retain the Bill Young Trophy played for by the two Glades teams.

Pahokee appeared to have more automobiles in and around it than at any time since the RDB had a "dinner on the grounds" way back when some 10,000 folks were fed.

The conference title remains in the Glades with Pahokee. (Continued On Page Eight)

### Wednesday Rites For A. A. Arvisais

Archie's Alance Arvisais, 79, of 665 S. W. 3rd St., Belle Glade passed away at Belle Glade Memorial Hospital Nov. 18 after a short illness.

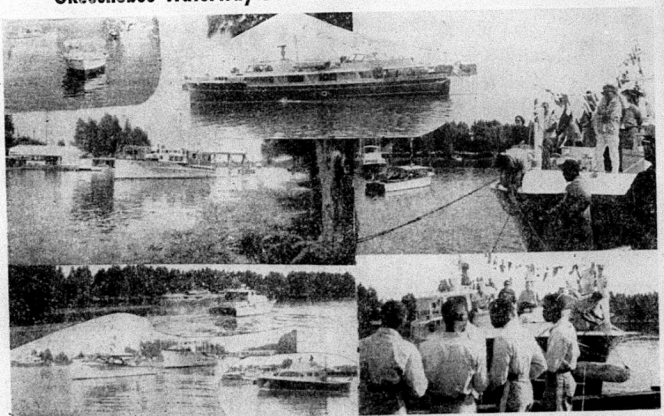

He was a native of Montreal, Canada and had resided in Belle Glade two years coming from Miami. He was a retired employee of the State Road Dept.

Survivors include a stepson, E. Earl Thompson, West Palm Beach; two daughters, Mrs. Eunice Williams, Belle Glade; Mrs. Frances Nagel, Omaha, Nebraska; and four sisters.

Graveside services were conducted Wed. at 3 pm at Hillcrest Memorial Park, West Palm Beach with the Rev. Francis Fenech of St. Philip's Catholic Church officiating.

Williams Funeral Home was in charge of arrangements.

### Okeechobee Waterway Boat-A-Cade Visits Port Of Belle Glade

Frances Langford (upper left in glasses) brought her 100-foot Cruiser and a party of guests to dock to enjoy the reception by Belle Glade's Vice Mayor Lebron Williams, and Bob Lee, Chamber President.

A group from the Glades Correctional Institution entertained the visitors with several vocal numbers and were congratulated and praised by Miss Langford and her party.

Other scenes are of visitors in smaller boats, which rendezvoused at the Belle Glade Port with larger and faster craft that made journey on to Clewiston and Ft. Myers.

Friday night City Manager Owen, Bob Lee and Avery Bass represented the City at the Clewiston celebration which included a feed at the Elks Club and other doings in and around the City.

# 59th Annual World Missions Appeal

The 59th Annual World Missions Appeal, sponsored by the Belle Glade Area Seventh-day Adventist church, opens Saturday, November 24. Leading the volunteer workers participating in the four-week city-wide drive is Dr. George Randolph, church home missions director. The goal here is \$10,000. Funds will go toward extending welfare, disaster aid, and educational services at home as well as a widespread medical, welfare, and educational ministry in 195 other countries. The local church operates a welfare unit at 1200 N. W. Ave. "D", South, in the church annex. Persons in need of assistance or knowing others needing material aid may phone 765-5195 or WY 6-5907. On a world basis volunteer Adventist workers in 1961 gave 7,593,047 hours in welfare services, valued at \$1,719,073 persons. More than \$1,545,000 in cash, some \$1,706,493 articles of clothing, and \$1,922,288 food baskets were contributed. Approximately 50 percent of this aid was given in North America. Seventh-day Adventists themselves contributed \$99,022,355 last year toward the support of their world church program, in addition to welfare activities.

# GLADES CHURCH NEWS

## Baptist Approve Budget For '62-63

An operating budget of 2.7 million dollars for the 1962-63 church year was adopted last Wednesday at the annual meeting of the Florida Baptist Convention, composed of representatives from the state's Baptist Churches. Under the budget 59 percent will go for state causes and 41 percent for southwide causes.

## LET US PAUSE ON THIS DAY TO EXPRESS OUR GRATITUDE . . .

For our continued prosperity and peace, we are thankful, and let us pray for wisdom and guidance to preserve them.

A Thanksgiving collection will be used for the Migrant Relief Fund in charge of the Chamber of Commerce and for the expenses of the Ministerial Assn.

## Area Wide Revival In Belle Glade

The Churches of the surrounding communities will be cooperating with the newly organized Glades Evangelistic Association in promoting a Revival in Belle Glade January 27-February 10th. Dr. E. J. Daniels of Orlando and his party Rev. Lowell Letts as Music Director and Johnny Bos as organist will be conducting the meeting with cooperation of many of the area churches. The sole purpose is to present Christ in all His Glory and saving power to our friends and neighbors. All are invited, members of all churches, as well as those with no church preference to cooperate in the Revival Effort.

The general meeting of the Women of the Evangelical Presbyterian Church met at the church Tuesday, November 20, at 8 p. m. Mrs. W. K. Whitlock presiding. Mrs. Richard Murray had the devotional on Thanksgiving using several verses taken from the books of Psalms. Mrs. C. E. Criedfield's program on Stewardship stressed the theme, "Your Changing Sense of Values." She challenged each woman to grow in Faith, Knowledge, Service, Stewardship, Fellowship and Witnessing. Announcement was made of the WOC Christmas party to be held December 4, at 8 p. m. at the home of Mrs. Robert Rodman; everyone to bring a toy or gift for the church nursery. The project of obtaining curtains for the windows in the Sunday School Building was voted to be church-wide. Hostesses were Mrs. J. M. Davis and Mrs. Urban Felsing.

## Hitching Post Thanksgiving, 1962

Carl Henry once wrote: "There is no hitching post in the universe so far as we know," said Einstein. It was a sad confession of ignorance of the spiritual world by a genius whose conviction of the unity of nature gave a new direction to the whole of science in our times. But there is no hitching post in this universe. Speak to us, Abraham from mount Moriah, and Moses from Sinai; speak to our times, Isaiah from Jerusalem and Paul from Mars Hill! A hitching post there is on Calvary's hill. There is unity and eternity meet, there sin and redemption meet, there mercy and truth meet, there righteousness and peace meet. The only hope of our fragmented world lies in latching our destinies to that blood-grained hitching post. From Matthew will be read the account of the healing by Christ Jesus of the centurion's servant, which includes this verse: "And Jesus said unto the centurion, Go thy way; and as thou hast believed, so be it done unto thee. And his servant was healed in the selfsame hour." From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this selection will be read (p. 210): "Knowing that Soul and its powers are forever manifested through man the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine mind on human minds and bodies and giving a better understanding of Soul and salvation."

## Churches of Christ Scientist

How spiritual understanding of God as Soul helps mankind will be brought out at Christian services Sunday. "Soul and Body" will be the subject of the sermon-Sermon 10, from Matthew will be read the account of the healing by Christ Jesus of the centurion's servant, which includes this verse: "And Jesus said unto the centurion, Go thy way; and as thou hast believed, so be it done unto thee. And his servant was healed in the selfsame hour." From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this selection will be read (p. 210): "Knowing that Soul and its powers are forever manifested through man the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine mind on human minds and bodies and giving a better understanding of Soul and salvation."

## New Ministerial Organization Formed

Ministers of the surrounding communities have formed a new ministerial organization known as the Glades Evangelistic Association. This Association includes churches in Belle Glade, South Bay, Lake Harbor, Clewiston, Pahokee and Canal Point. The Evangelistic Association was formed to support Area Wide Revival Efforts with different area churches cooperating. The group of ministers have chosen Rev. Herman Stroner of the First Baptist Church in South Bay as president and Rev. W. R. Roland of the Community Methodist Church in Belle Glade as Vice-President of the Association. The following churches have already been committed to cooperate in the Evangelistic Association: First Baptist Church of Belle Glade — Rev. Luther Key, pastor. Community Methodist church — Rev. W. R. Roland, pastor. Northside Baptist Chapel, Belle Glade — Rev. Edward Stramer, pastor. First Baptist Church of South Bay — Rev. James A. Fenton, pastor. Church of God, Belle Glade — Rev. S. J. Davis, pastor. Belle Glade Alliance Church — Rev. Jack Edwards, pastor. Glades Correctional Institution Chapel, Rev. Herman Stroner, pastor. Church of the Nazarene, Pahokee — Rev. Jones, pastor. Church of God, Pahokee — Rev. Hughes, pastor. First Baptist Church, Clewiston — Rev. L. T. Fagan, Sr. All churches in the surrounding communities are invited to participate in the Association. The Association will try to carry out the Evangelical Appeal in their endeavors. The Association will be having its next meeting on November 29th, at the Community Methodist Church in Belle Glade and all ministers are invited to the Association Meeting.

## WSCS Circle Topics About East Asia

"Our Neighbor on the Rim of East Asia" was the program topic and devotional of the circles of the Woman's Society of Christian Service of Community Methodist Church, Araminta Circle. The Araminta Circle met at the home of Mrs. Frank Dooley, Mrs. C. Post postulated the devotional and the program assisted by Mrs. James Ball, Jr., Mrs. Milton Barry and Mrs. E. M. Van Landingham. Others present were Mrs. Dale Bussey, Miss Sara Lee Cramer, Mrs. Lois Abel, W. S. C. S. president was a visitor. Mrs. Ruth Circle. Mrs. Dora McWhorter was hostess to the Mary-Ruth Circle of the Methodist Church. Mrs. Walter Hooker assisted by Mrs. M. Mapp and Mrs. Mildred Haney gave the program Mrs. F. E. Hollingsworth gave the devotional on the same topic. Mrs. Ralph Elder, chairman presided during the business meeting and announced the bazaar was a big success. Mrs. Mapp read the minutes from last meeting. Mrs. McWhorter served delicious refreshments to Mrs. Mapp, Mrs. George Farnall, Mrs. Alfred Baisch, Mrs. Ralph Kidder, Mrs. N. T. Taylor, Mrs. E. F. Saunders, Mrs. Walter Hooker, Mrs. Mildred Haney, Mrs. A. S. Brannen and Mrs. F. E. Hollingsworth.

## Stewardship Is Topic Of Presbyterian Women

The General Meeting of the Women of the Evangelical Presbyterian Church met at the church Tuesday, November 20, at 8 p. m. Mrs. W. K. Whitlock presiding. Mrs. Richard Murray had the devotional on Thanksgiving using several verses taken from the books of Psalms. Mrs. C. E. Criedfield's program on Stewardship stressed the theme, "Your Changing Sense of Values." She challenged each woman to grow in Faith, Knowledge, Service, Stewardship, Fellowship and Witnessing. Announcement was made of the WOC Christmas party to be held December 4, at 8 p. m. at the home of Mrs. Robert Rodman; everyone to bring a toy or gift for the church nursery. The project of obtaining curtains for the windows in the Sunday School Building was voted to be church-wide. Hostesses were Mrs. J. M. Davis and Mrs. Urban Felsing.

## Hospital Auxiliary To Install Officers At Dec. 4 Meeting

The Belle Glade Memorial Hospital Women's Auxiliary met for the regular November meeting. Mrs. David Baile, president and opened the meeting with prayer.

Mrs. Ruby Bailey, chairman of the nominating committee presented a slate of officers for the year 1963. The new officers will be installed at the next meeting, which has been changed from Dec. 11 to Dec. 4. At this time annual reports will be given and committee chairmen reports will be heard. This will be the final meeting of the year and all chairman and officers are asked to have reports ready for this date.

Mrs. J. A. Baker, chairman, reported on the recent games party and thanked all who helped to make it a success.

The auxiliary voted to buy a Christmas Seal bond for \$10.

E. F. Saunders, hospital superintendent gave a report on the book bank to be set up on the hospital in the near future, and it was announced the Annual Christmas party honoring Auxiliary members given by the hospital board would be held Dec. 12 at the community center. Auxiliary members, board members and wives and local doctors and wives have been extended invitations. Reservations may be made by calling Mrs. David Baile.

Preceding the meeting, a workshop was held present was Mrs. Charles Duxbury, Mrs. A. W. Crago, Mrs. I. L. Price, Mrs. Baile, Mrs. Ruby Bailey, Mrs. D. B. Wood and Mrs. Victor Mulberg.

Mrs. Pauline Boydston is spending Thanksgiving with her brother-in-law and sister, Mr. and Mrs. Sidney L. Craig in Coral Gables returning home on Friday.

Mr. and Mrs. F. Hollingsworth are having for Thanksgiving guests his brother-in-law and sister, Mr. and Mrs. A. E. Hood and his brother and wife, Mr. and Mrs. J. P. Hollingsworth, all of Miami and their families. Mr. and Mrs. Jack Hollingsworth, Vicki and Gene.

Coming from West Palm Beach Wednesday night to the tired, mashed potatoes, hully gully and the hula were performed.

Refreshments included a pink and white frosted birthday cake, ice cream punch, potato chips and hot dogs. Happy birthday party for Jo Ann Brewer, 1632 N. W. Ave. G.

The house was decorated throughout with gaily colored streamers and balloons. Pantomime games and dances such as the twist, mashed potatoes, hully gully and the hula were performed.

Refreshments included a pink and white frosted birthday cake, ice cream punch, potato chips and hot dogs. Happy birthday party for Jo Ann Brewer, 1632 N. W. Ave. G.

The party began at 8 p. m. and continued until about 11. Friends enjoying the occasion were Ida Mock, Bobby Blakely, Petra Ezzard, Billy Brewer, Donna and Carrie Hager, Skipper Moss, Pat Sauman, Jackie Western, Seretha and Raynald Smith, Hank Moss, Wanda Tankley.

Mrs. Mildred Tillery, of Tillery's Country Grocery, East Palm Beach Road, takes in the HERALD's double page spread congratulating the Rams.

## Belle Glade Personal Notes

Mr. and Mrs. Charles Quinton Duxbury and son Charles, made a business and pleasure trip to Gainesville the past week and attended the Florida-FSU game.

Mr. and Mrs. Grady Brooker and family are spending Thanksgiving Day with his brother-in-law and sister, Mr. and Mrs. H. A. Bates at their home in Jupiter with more than 18 of the family present. The Bates have a lovely home and an ideal place for a family reunion at Girl Scout Camp Welaka, where they are in charge of the camp.

Mrs. Pauline Boydston is spending Thanksgiving with her brother-in-law and sister, Mr. and Mrs. Sidney L. Craig in Coral Gables returning home on Friday.

Mr. and Mrs. F. Hollingsworth are having for Thanksgiving guests his brother-in-law and sister, Mr. and Mrs. A. E. Hood and his brother and wife, Mr. and Mrs. J. P. Hollingsworth, all of Miami and their families. Mr. and Mrs. Jack Hollingsworth, Vicki and Gene.

Coming from West Palm Beach Wednesday night to the tired, mashed potatoes, hully gully and the hula were performed.

Refreshments included a pink and white frosted birthday cake, ice cream punch, potato chips and hot dogs. Happy birthday party for Jo Ann Brewer, 1632 N. W. Ave. G.

The house was decorated throughout with gaily colored streamers and balloons. Pantomime games and dances such as the twist, mashed potatoes, hully gully and the hula were performed.

## Area Garden Clubs Four Initiated Prepare For Xmas Holidays Houses

Enthusiastic work is progressing by members of the three garden clubs in the area, on the Christmas Holiday houses being sponsored on December 11 at workshops and committee meetings. Plans are being made and dried plant materials are being camouflaged with silver and gold painted with added glitter.

The houses to be shown all dressed in their holiday attire are those of Mrs. Junius Harris, 220 N. W. Ave. E. Mrs. Sera Smith, 672 S. E. 5th St., and Mrs. H. H. Gilbert, 219 Royal Palm Drive.

House committee chairmen are from the Garden Study Club: Mrs. Luther Jones, the Chosen Garden Club, Mrs. Paul Kirchman; the Belle Glade Garden Club, Mrs. Sera Smith.

The public is invited and there will be no admission charge.

A giraffe's heart is almost as big as a basketball!

A dog's heart is about the size of a tennis ball!

## U. Of Fla. Team Win Meat Judging In Nat'l Contest

A University of Florida meat judging team defeated 12 other college teams from throughout the nation for first place in a national meat judging contest at Baltimore, Maryland, it was learned here today.

This is the first time that the University of Florida has won this particular distinction. The meat judging contest was held Tuesday, Nov. 13 in connection with the Eastern National Livestock Show.

According to team coach Dr. J. W. Carpenter, assistant professor with the Florida Agricultural Experiment Stations, the team scored first in the beef and pork judging divisions to boost the collegiate judges to high over-all champs.

## Waterfowl And Dove Hunting Open For Thanksgiving And Weekend

Thousands of Florida hunters were at their favorite shooting stands one-half hour before sunrise Saturday, November 17, as the statewide hunting season on resident game opened, according to A. D. Aldrich, director, Game and Fresh Water Fish Commission.

This is the first time that the University of Florida has won this particular distinction. The meat judging contest was held Tuesday, Nov. 13 in connection with the Eastern National Livestock Show.

According to team coach Dr. J. W. Carpenter, assistant professor with the Florida Agricultural Experiment Stations, the team scored first in the beef and pork judging divisions to boost the collegiate judges to high over-all champs.

Mr. and Mrs. Richard Moe and family have moved from one of the Irene Dawson homes, on North 3rd Street in South Bay, to a new home in the William Maso subdivision.

Mr. and Mrs. J. J. Herring of Clewiston were Sunday dinner guests of their daughter and family, Mr. and Mrs. H. B. Walker.

Mrs. Howell Goodbread honored her husband (Howell) Monday night with a birthday dinner. Guests were Mr. and Mrs. J. H. Harrell, Mr. and Mrs. Junior Thomas and Ervin Thomas both of Vero Beach, and the Goodbreads.

Mr. and Mrs. T. L. Driggers had as their Sunday dinner guests, Mr. and Mrs. James Beagle and Jamie of Clewiston.

Mrs. Fred Boorman is convalescing at her home in South Bay after spending two weeks in Belle Glade Memorial Hospital under observation.

H. H. Walker, Kenneth, Warren, Glenn McCabe, John Lee Henderson and Norman Austin spent the weekend touring in the area and Austin killed a turkey.

Miss Daphne Henderson, Betty Lou Henderson and Eddie Foster, spent Sunday at Sandbel with the girls' grandmother Mrs. Elsie Henderson. Mrs. Henderson will visit her son and family Mr. and Mrs. Sam Henderson this week.

Mr. and Mrs. Jack White of Lake Wales spent the weekend with their son Jerry White and family.

Pat Higginbotham of Miami is visiting his sister, Mrs. A. B. Barnes.

Mrs. Barnes, her grandson and Mr. Higginbotham were Sunday night guests of Mr. and Mrs. Marvin Miller and family of Dorr Ranch.

Mr. and Mrs. E. W. Hanford of Coral Gables spent the weekend with their son and family, Mr. and Mrs. Norman Dalrymple.

Mr. and Mrs. Norman Dalrymple spent Monday in Miami on business.

Jerry Trotter of Melbourne spent the weekend with his wife and their son Jet who had been visiting her parents Mr. and Mrs. H. B. Walker for several weeks. The Trotters returned Sunday to their home in Melbourne.

Donald Barnes and his mother Mrs. A. B. Barnes spent Friday and West Palm Beach and also visited relatives in Lake Worth.

**South Bay School Elects Cheerleaders**  
The South Bay Junior High School Students had an election for cheerleaders, the following were candidates: Margaret Bailey, Edith Baggett Gail Sullivan, Jill Bowen, Diane Shih, Gale Lynch, Linda Rose, Rhonda Walker, Marilyn Stokes, Cindy Winterowd and Sandy Goodbread.

The candidates displayed their skill in a special assembly after which the junior high students voted for them. The following were elected: Cindy Winterowd, Capt., Margaret Bailey, Co-Capt., Rhonda Walker, Jill Bowen, Diane Shih and Sandy Goodbread. Marilyn Stokes and Gale Lynch were elected as alternates.

## New Girls 4-H Club Organized

On Monday, November 12, 1962, the 4-H Club was organized for Lake Harbor. The club elected officers as follows: President, Gladys Foster; Vice President, Darlene Maguire; Secretary and Treasurer, Carolyn Clevinger; Devotional Chairman, Diana Maguire; and Reporter, Alice Robertson.

The club agreed to change from meeting to meeting on selecting group leader and recreation officers, the club voted in not officers, the club voted in their name. It was voted to be Lake Harbor Sunny Belles.

Discussing their future plans, the club plans to have a busy year. Vice President, Darlene Maguire is in charge of the membership drive. We hope to have more members and to have a better and more interesting club.

Mrs. John D. Hemphill, Susan Hemphill, Mrs. Leo Johnson, David and Rita spent the weekend in Lunnell with Mr. and Mrs. Danel Plank and Flinty and Mr. and Mrs. Jack Hemphill.

The Methodist Youth Fellowship group of the Community Methodist Church attended the Clewiston Methodist Church services Sunday evening and saw two films, "Korean Carnival" and "Man on the Doorstep."

Mrs. J. O. Jameson accompanied them in the absence of Mrs. John D. Hemphill, sponsor.

Mrs. J. O. Jameson attended the reception Saturday afternoon at the home of Mrs. C. Thompson, Sr., honoring her son, John's bride-to-be, Miss Lynette Hammond.

Mr. and Mrs. Roy Layfield and Nancy and their guests, Mrs. and Mrs. Jim Buck Layfield and Mr. Bob Smith had supper with Mr. and Mrs. Jim Herring in Belle Glade Saturday evening.

Little Misses Tina and Dorothy Swain of Belle Glade are visiting this week with their grandparents, Mr. and Mrs. H. Swain.

Mrs. R. E. Seabolt, Mrs. D. B. Blakney and Charles Wayne Blakney of West Palm Beach spent Sunday with Mr. and Mrs. C. H. Pope.

Mr. and Mrs. Jim Buck Layfield of St. Augustine spent the weekend with his parents, Mr. and Mrs. Roy Layfield and Nancy.

Mrs. and Mrs. Roy Layfield had the following guests for Sunday dinner: Mr. and Mrs. Bobby Enfinger and Nancy.

**South Bay P. T. A. News**  
The South Bay P. T. A. had their regular meeting Monday, Nov. 19th in the South Bay Auditorium with Mr. Thomas A. Williams presiding. Mr. Riley E. Foster led the devotion and the salute to the flag. Mr. Williams gave a report of the Halloween Carnival, and thanked all the people that made this the most profitable and biggest Carnival South Bay P. T. A. had ever put on.

Mrs. Sconyers, Sec., read the minutes of the last meeting, and Mrs. Clayton Waters, Treas., gave the financial statement. One Hundred dollars had been donated to the Glades Cooperative Scholarship Fund, forty dollars to the County Scholarship Fund, one hundred and eleven dollars for a complete set of records for all grades, and one hundred dollars to the Cooperative Junior High School. A payment of \$44.68 for Encyclopedia set.

The Halloween Carnival netted around \$200.00, and estimated expense of \$500.00 was allowed. The parade was the big event not only in grandeur, but financially, they made over \$1000.00 profit on this one event.

Mr. H. A. Ouellette, principal introduced Mrs. Luis Iglesias who played an inspiring solo on the piano. Mrs. Iglesias is one of the Spanish refugees who migrated here recently, she proved to the members of the P. T. A. that music is the international language.

The P. T. A. donated \$100 towards the Xmas Tree Treats, with Mr. and Mrs. Floyd Wilder volunteering to be co-chairman of this event. Xmas Treats will be purchased for each grade by the P. T. A. in the past.

The following members of the fifth grade students were hosts on the evening: Mrs. Hartline, Mrs. Burgett, Mrs. DuBoise, Mrs. Douglas, Mrs. Sloan, Mrs. Franklin, Kelley and Mrs. Richard Zwickly. The beautiful center pieces were made by Mrs. Bill Jeffries.

## FHP Buddy Weaver To Work In Miami

W. Buddy Weaver, son of Mr. and Mrs. E. W. Weaver of Lake Harbor has graduated from the Florida Highway Patrol School at Tallahassee and will be stationed in Miami.

Buddy, well known in Belle Glade where he attended High School and was employed by the Southern Bell Telephone, had recently completed service in the Naval Air Reserve at Jacksonville.

Attending the graduation exercises were his parents, Mr. and Mrs. E. W. Weaver, and Susan; his sister and husband, Mr. and Mrs. G. F. Gremmer, Jr., of Hialeah, his wife, Mrs. Betty Weaver, and Mr. and Mrs. George Jepson and Barbara of Clewiston.

## LAKE HARBOR NOTES

By W. S. C. S. - WY 6-5186

Mrs. W. C. Prewitt, Mrs. Frank Robertson, Mrs. John D. Hemphill and Mrs. John Pope visited Mr. and Mrs. Pope in Hollywood on Wednesday.

Mrs. John D. Hemphill, Susan Hemphill, Mrs. Leo Johnson, David and Rita spent the weekend in Lunnell with Mr. and Mrs. Danel Plank and Flinty and Mr. and Mrs. Jack Hemphill.

The Methodist Youth Fellowship group of the Community Methodist Church attended the Clewiston Methodist Church services Sunday evening and saw two films, "Korean Carnival" and "Man on the Doorstep."

Mrs. J. O. Jameson accompanied them in the absence of Mrs. John D. Hemphill, sponsor.

Mrs. J. O. Jameson attended the reception Saturday afternoon at the home of Mrs. C. Thompson, Sr., honoring her son, John's bride-to-be, Miss Lynette Hammond.

Mr. and Mrs. Roy Layfield and Nancy and their guests, Mrs. and Mrs. Jim Buck Layfield and Mr. Bob Smith had supper with Mr. and Mrs. Jim Herring in Belle Glade Saturday evening.

Little Misses Tina and Dorothy Swain of Belle Glade are visiting this week with their grandparents, Mr. and Mrs. H. Swain.

Mrs. R. E. Seabolt, Mrs. D. B. Blakney and Charles Wayne Blakney of West Palm Beach spent Sunday with Mr. and Mrs. C. H. Pope.

Mr. and Mrs. Jim Buck Layfield of St. Augustine spent the weekend with his parents, Mr. and Mrs. Roy Layfield and Nancy.

Mrs. and Mrs. Roy Layfield had the following guests for Sunday dinner: Mr. and Mrs. Bobby Enfinger and Nancy.

## Troop 601 Attend Council Camporee At Boy Scout Camp Tanah-Keeta

Perfect weather and many scoutcraft activities provided a pleasant and instructive weekend for all of the Boy Scouts of Gulf Stream Council.

Scoutcraft competition with all Troops present, about 600 scouts, took up most of Saturday afternoon. There were fire building, compass course, knot tying, plant identification, lashing and flag pole raising contests. Although Troop 601 didn't win one of the three ribbons awarded they had a whole of a good time trying to get one.

Each troop present had the opportunity to win a blue, red or white ribbon for overall camping proficiency. These ribbons were awarded the troops meeting certain camping requirements such as: proper campsite locations, neat camping area, regulation garbage pits, latrines, fire pits and clean Scout conduct also played a big part in scoring.

The Scouts of Troop 601 were very happy to bring home a first place blue ribbon for their efforts.

Council campfire Saturday night gave everyone a chance to blow off steam, with skits, songs and jokes, a good time was had by all.

Church services Sunday morning were very impressive pointing out very clearly our duty to God and the fact that without his blessing, our fine weekend in camp would not have been possible.

Attending were: Scoutmaster R. H. Lewis and C. E. Haines. Fathers and Troop Committee men, Fred White, Jimmy Williams and Wilbur Mincey. Scouts were Senior Patrol Leader Eddie Haines, Falcon Patrol, Charles Ruff, John Kimbrell, Jerry Williams, Paul White and Herman Luster. Scout Patrol, Jeff Altman, Jeff Hansford, Roy Carlson, Wally Lutz, Greg Jones and Brian Moore. Eagle Patrol, Dennis Connell, Enrique Tomeu, Jimmy Winchester, Jimmy Mincey and Tommy Altman.

**Rickey Clayton, 11 Honored On Birthday**  
Mrs. James Clayton entertained her son, Rickey, with a party honoring his eleventh birthday on Friday. Those attending were Joyce and Glenda Byars, Juanita and Charles Henderson, Mike, Johnnie and Ronald Maguire, Timmie and Maria the Clevenger, Cheryl Smith, David Johnson, Angie Haulcomb, John and Dale Greer of Belle Glade, and Mrs. Mary Swain.

Assisting Mrs. Clayton were Mrs. Ruby Greer and Mrs. June Clayton. Cake and ice cream were served to the guests.

## IN SERVICE

Marine Private Hank W. Tyler, son of Mr. and Mrs. B. B. Tyler of 1301 Northwest Avenue "L" Belle Glade Fla., is scheduled to complete recruit training, Nov. 19, at the Marine Corps Recruit Depot, Parris Island, S. C.

The indoctrination to Marine Corps life includes instruction in basic military law, discipline, physical conditioning and other military subjects.

Three weeks are spent on the rifle range, where recruits fire the M-14 rifle and receive instruction on other infantry weapons.

The club received two trophies for being chosen Best Secretary of the Year in the boys clubs of the county and also a county medal for Leadership. Jerry Nehls received a county medal for outstanding achievement in his poultry project.

The county officers were installed by Mrs. Wassner and Mr. Nehls, with two of the Belle Glade boys taking office. Steve McKinley as county Vice President and James Baker as county Parliamentarian.

The next meeting of the club will be held at St. Peters Lutheran Church on Monday, December 3, at 7:30 p. m. Raleigh Griffiths, Asst. County Agent will attend this meeting and will show a film on Entomology. All boys 10 years and older interested in joining and doing 4-H work, please contact Dallas Nehls WY 6-5757.

**BOY SCOUT ACTIVITIES**

Attending were: Scoutmaster R. H. Lewis and C. E. Haines. Fathers and Troop Committee men, Fred White, Jimmy Williams and Wilbur Mincey. Scouts were Senior Patrol Leader Eddie Haines, Falcon Patrol, Charles Ruff, John Kimbrell, Jerry Williams, Paul White and Herman Luster. Scout Patrol, Jeff Altman, Jeff Hansford, Roy Carlson, Wally Lutz, Greg Jones and Brian Moore. Eagle Patrol, Dennis Connell, Enrique Tomeu, Jimmy Winchester, Jimmy Mincey and Tommy Altman.

## Blue Devils-Rams Game At Pahokee "The" Holiday Event Of South Fla.

It's windup time for the Suncoast Conference's 13th football season with a five-game card Wednesday night featuring a championship battle at Pahokee. The 20th Belle Glade-Pahokee clash for the Bill Young Memorial Trophy will be just one of five arch-rivalry rematches that evening. In a second league match Secretrest visits Lake Worth with third place going to the winner. In three non-league contests Stuart visits Okeechobee for these teams' 33rd meeting, cross-town rivals Palm Beach and Forest Hill tangle on the latter's field, and the 37th Ft. Pierce-Vero Beach engagement will be held at Vero's Hibiscus Bowl.

But the Pahokee Joust is the big one. Belle Glade, with nine successive wins, needs a victory of at least a tie, the first of any kind for the school since the Suncoast was instituted. The Rams can claim an undisturbed gridiron pennant with a win or tie, but Pahokee with a victory can share the crown. Despite Belle Glade's record, which includes triumphs over Ft. Pierce and Palm Beach, both of which victimized Pahokee in the game. Neither can Pahokee. It is "the" game for both sides eke hall and the outcome

### Belle Glade Coaches

(Continued From Page One)  
self well here in his first year. Santillo teaches Biology and Health and will coach "B" team basketball.

**Coach Therrell Luke** played basketball at Philadelphia High and Delta State College in Mississippi. He is now here as "B" team basketball coach and track coach in 1959, and became Varsity Basketball coach in 1960. He is line coach for the "B" team football. Luke teaches Junior High American History. He received his master's degree from FSU last year.

**Coach Luke Thornton** played basketball and baseball at Arkansas A & M. He came to Belle Glade as baseball coach in 1958. Thornton coaches "B" team football. In addition, he is the World History in the High School.

is always a tossup situation even if they were playing for last place in the standings.

All of the other games Wednesday also appear likely to be close ones, although off their records Lake Worth, Okeechobee, Ft. Pierce and Forest Hill probably rate slight favorites.

But all four might just as likely lose.

With only three games last week-end, the feature of the action was the new low record set at Stuart by Lake Worth's Fred Mayer as the Trojans spotted their hosts a score, and then romped to a 48-6 success.

It was the highest league game score of the season and the worst either side had ever beaten the other in 25 meetings since they started playing in 1925.

After missing his first try, Mayer booted six successive extra points to raise his league game score to 19. Mayer has made all of the Trojan extra points this fall, so he needs two against Secretrest Wednesday to enable his team to match the '58 record, and three to surpass it.

Mayer scored 12 points to become the league's top scorer with 67. Following are Pahokee's Hal Peacock at 55, Secretrest's Don Gibson at 54, Belle Glade's Dill Miller at 44, Belle Glade's Tom Close at 42 and three players with 30 points each.

**W L T**

**Bean Bowl Game**  
**Will Be Legal!**

Florida high school principals have voted approval of a state football championship playoff plan. It will likely be put into effect in the 1963-64 school year.

Lafayette Golok, executive secretary of the Florida High School Activities Association, announced that a proposal for a 12th annual state football championship has been approved. This would permit grid championship playoffs, in various classifications for a state crown. He stressed, however, the playoff is not mandatory and schools do not have to participate in the playoff plan.

**Joe Freedlund Dies Wednesday**  
(Continued On Page 1)

Adolph Freedlund of Hillsboro, a sister, Mrs. M. Austin Davis of Coral Gables, and two brothers, Carl of Marathon and Victor of Hialeah, died Wednesday.

Mr. Freedlund was a member of the Immanuel Lutheran Church of Miami, a Shriner, a charter member and Past President of Rotary, a charter member and director of the PB County RDB.

Funeral services will be held at the Community Methodist Church, Belle Glade, Monday morning, November 26th at 10 a.m. with interment in the family burying plot at Woodlawn Cemetery, Miami.

## Hunters Asked To Fight Vandalism

### Has A C & SF FCD Levees Are Opened

Half a dozen levees were provided access to some of the greatest wildlife areas in southern Florida were opened to the public during the hunting season beginning November 17, according to Robert R. Horner of Palm Beach, Vice Chairman of the Board of the Central and Southern Florida Flood Control District.

Horner said the public will be able to use roadways on top of the FCD levees to enter Conservation Areas 2 and 3 in Palm Beach and Broward Counties. These reservoir lands, which cover more than 1,100 square miles, constitute the Everglades Wildlife Management Area. One of America's largest deer herds is to be found here.

In addition, there are numbers of wild hogs which are taken by hunters each year. Coon, bobcat, otter, and muskrat (waterfowl also inhabit the Conservation Area).

In announcing the opening of the levees, Horner also issued an appeal to the public to protect Flood Control District property, against vandalism and other forms of misuse. He said some levees have been damaged in the past, that pumping stations have been looted of tools, that fences, gates, and locks have been broken. During hunting season, he said, it is hoped that the sporting public will assist the Flood Control District in preventing vandalism and other forms of misuse.

Levees on the west side of the Miami Canal will be opened to the public. The FCD pumping station 8, at the northern edge of Conservation Area 3.

Levee 6, at the northern boundary of Conservation Area 3, along the Palm Beach-Broward line, will be opened from U. S. Highway 27 on the east to pumping station 8 on the west. A launching ramp for boats has been constructed by the District across this levee at a point about five miles east of pumping station 8.

A roadway and ramp across pumping station 8 will also be opened to permit the public to cross the Miami Canal.

Levee 6 at the northwest end of Conservation Area 2, about 27 miles southeast of Belle Glade, will be opened to the public during the hunting season. A new launching ramp for swamp buggies and airboats has been constructed by the Flood Control District at the plug, providing public access into Conservation Area 2.

Levee 6 can be reached by way of Brown's Farm Road which leads southeast from State Road 80 along the Hillsboro Canal.

Hunters will be welcome to camp along the levees which have been opened by the FCD provided they do not obstruct the roadways on top of the levees. It is hoped that there will be no unsportsmanlike acts such as fence cutting or using fence posts for fire wood, Horner said.

An additional access point for airboats to enter Conservation Area 2 has been provided during the past year on the east side of U. S. Highway 27, about 1-1/2 miles north of Andriown, inland from Fort Lauderdale.

Horner said the public is requested to utilize only the levees which will be opened by the FCD and not to break into or use certain other levees which have been closed for specific reasons.

All hunters are, of course, subject to laws and regulations of the State Game and Fresh Water Fish Commission inside Conservation Areas 2 and 3. They are subject to regulations of the U. S. Fish and Wildlife Service in Conservation Area 1 in Palm Beach County. Area 1 can be entered by boat from launching ramps on the Hillsboro Canal (west of Boca Ro-

## Troop 621 Enjoys Updoar Weekend

Last Saturday and Sunday proved to be an adventurous weekend for the boys of Troop 621. The troop left early Saturday morning and journeyed to Boy Scout Camp Tanah-Keta for a Gulf Stream Council Camporee. Upon arrival at the camp we loaded ourselves down with several burdensome parcels and trudged our way to a most remote camping spot which seemed several miles away but wasn't over one-half mile. We managed to make the trip without any broken backs but few of us felt like running any foot-races about then.

We proceeded to set up camp and cook lunch to prepare ourselves for a hectic afternoon. A few of the campcraft exercises were entered and we came out on top of some of them. Our sanitation was hindered by a lack of water (we had to walk a half mile to reach a pond) and several of us returned from the camping trip looking as if we hadn't had a bath for a week. We prepared supper by ourselves and managed to raise our leaders' shishka-bobs every few minutes.

Most of the boys attended the campfire that evening and one of us managed to get lost in the maze of camps.

Our leader awoke with the sun and managed to coax everyone else out of our nice warm sleeping bags. We prepared breakfast and succeeded to break camp before church services. After church we resumed packing up and trudged our way back to our vehicles with what should have been a lighter load. We checked out at headquarters and found that, thanks to a few mischievous members of our clan, our blue ribbon for camping had turned to red.

All in all it turned out to be a successful weekend and we managed to return home without any serious injuries or illnesses. Hereafter we will leave the luxuries of camping at home when we have so far to carry them.

The boys attending were as follows: Marilyn Felsing, Victor (the Snake Lover) Riedel, Glen Wolf, Freddie Whitlock, Tommy Folsen, Jerry Folsen (our mischievous monster), Bailey, Richard MacMillan, Bobby Smith, Wayne Meeks, Joseph Sexton, John Kidder, Gene Hollingsworth, Jimmy Meeks, and the adults attending were Spence Whitlock, Emil Wolf, and Urban Felsing.

Our thanks go to Victor Riedel, Sr., Emil Wolf, and Spence Whitlock for the transportation they provided.

—Marilyn Felsing

**Legal Liquor**  
**Legal Liquor!**

Mary Eileck, Hurley Ransom and John B. Finlay were taken in tow by the Belle Glade Police Monday night for selling "legal liquor illegally."

Various schemes were used; one from the house and other from the pocket.

All were without licenses and some were after hours. This is a sure method of protecting the liquor dealers who pay a high license.

However, the legal liquor must come from some person with a license!

**Kautz Elected To**  
**Fla. Farm Bureau**  
**Directorship**

Walter Kautz, Canal Point, was elected to the board of directors of the Florida Farm Bureau Federation at the group's 21st annual convention.

The Palm Beach County sugar grower will serve for two years on the board of the state's largest farm organization, replacing Mike Macech, Jr., Delray Beach.

Kautz will represent District 9 on the state board with Jefferson Davis, holdover director from Homestead.

## Mail Order Insurance "Treatment"

### Only Liable To P. O. Dept. Rules

State Insurance Commissioner J. Edwin Larson said today a rising chorus of complaints are reaching his office over difficult policyholders are experiencing in collecting claims from so-called "mail order insurance" companies.

Commissioner Larson said "insurance companies unauthorized to do business in Florida are offering life, accident and health, burial and other types of insurance to the citizens of this State by direct mail solicitation and advertising and by newspaper ads."

He said Floridians are warned "not to buy" "mail order" insurance from unauthorized companies, because our office is without jurisdiction to regulate the business activities and procedures of these companies."

He said the insurance department is particularly helpless in the most vital field, "payment of claims, and regulation of the type of policies issued."

Larson urged persons approaching by one of the mail order firms to contact Insurance Commission field offices throughout Florida to check the reliability of the companies involved.

The "mail order" insurance problem has been aired in some areas of Florida by television stations, and newspapers, and appears to be growing in scope in recent months, insurance department spokesmen said.

Larson said flatly: "Citizens of this State cannot rely for protection on the regulations of other states for the long distance advertising practices and solicitation by mail of insurance by companies outside Florida."

The "mail order" insurance problem has been aired in some areas of Florida by television stations, and newspapers, and appears to be growing in scope in recent months, insurance department spokesmen said.

### Palm Beach County's Benefit

Two years ago when Thomas F. Fleming was inducted as president of the Palm Beach County Resources Development Board, he said, "Much better that when I retire from this office I tell you what we have accomplished than to stand before you tonight and forecast what I hope we get done."

Now that he has been succeeded as Resources Development Board President by Edward F. Stumpf, Fleming's bow-out report was as extensive as his acceptance speech had been brief.

Boiled down, his progress report paid a tremendous tribute to those members of the Resources Development Board and those citizens of Palm Beach County who preserved to establish a new upper level, over division university at Boca Raton.

Few will ever know the complete dedication of effort that was required to bring the institution to a reality. Contracts will be let for \$3.5 million construction on December 5. The groundbreaking ceremonies with the governor present will be December 8, and in less than two years 2,000 students will be enrolled. By 1970, 10,000 are expected.

No name will ever be more a part and parcel in the new university than Tom Fleming; no organization to which the citizens would be more indebted than the Resources Development Board.

We pay tribute to Palm Beach County Citizen Tom Fleming; history will properly evaluate the services of Palm Beach County Resources Development Board to the progress of the County.

It's ability to attract and channel the efforts of the County's most able business men for the WHOLE county has measured its aid with such things as Boca University, and many industrial plants, county zoning, the Legislature Clinic and Flood Control.

1,566,000 Florida federal taxpayers showed an adjusted gross income of \$7.4 billion with a tax liability of \$861 million for the year '60.

Uncle Samuel is "in hock" for a deficit of \$7.7 billion, according to a study, for the current year — and \$4.4 billion were given away. Interest on the public debt is \$9,388 billions.

Some folks are criticized for attempting to refinance a car that has three delinquent payments — but they haven't a money printing press.

### It happened 100 YEARS ago

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862 — the same year that...

IN FLORIDA, the State Legislature proclaimed that all the public lands to which the state claimed title through accession should be restored to market at \$1 and \$2 an acre, soldiers to have the right to buy at 1/4 the prices. Throughout the state the event was celebrated with feasting and dancing.

For then, as now, beer was the traditional beverage of moderation — light, sparkling refreshment that adds a touch of Southern hospitality to any occasion. Floridians have always enjoyed the good fellowship that goes with every glass.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and wine are served.

## Our Public Health Nurses... "The Ladies in Blue"

MRS. EVELYN S. SHEAHEN, R. N., B. S. N. E., now the Glades Area Field Supervisor of Palm Beach County Department of Public Health, received her hospital nursing diploma from the New England Deaconess Hospital, Boston, Mass., in 1943. Undergraduate collegiate education was obtained from the University of Rhode Island, St. Petersburg Junior College, Florida State University Extension Division at St. Petersburg, Fla. Her last year of undergraduate work was completed under a New York State Public Health Training grant. In June, 1959 she received a B. S. degree in Nursing Education from Teachers College, Columbia University, New York. The combined Teachers College and Florida State University credits prepared her for hospital supervision and qualified Public Health Nursing Service.

Previous nursing experience has consisted of private duty, industrial nursing, rehabilitation, school health services, nursing home supervision for chronic illness, and the care of the elderly. Her chief professional experience was with V. A. Hospital, Bay Pines, Florida, as head nurse of a chronic illness and cardiac ward, and as staff nurse in a generalized public health department City of Yonkers, New York.

Last October she returned to her adopted state "to follow the sun" and prior to employment by Palm Beach County was with Florence Crittenton Home, St. Petersburg, Florida, Mr. Sind Hospital, Miami Beach, and Palm Crest Nursing Home, West Palm Beach.

Mrs. Sheahen furnishes nursing supervision to the Health Centers of both Belle Glade and Pahokee.

Department City of Yonkers, New York.

Uncle Dan from DOOLIE says:

Dear Mister Editor: I see by the papers where the Defense Department has final gave out some fingers on them Chinese feathers. But Hookum even predicted that in a year or two they might even announce what kind of feathers they was and what they was doing with 'em.

And while the Defense Department was gitting the taxpayers informed on the feather situation, the Government Printing Office come out with a new list of volumes that is now ready for the taxpayers. Senator Williams of Delaware give the list to one of them Washington column writers, and I'll have to admit, Mister Editor, they got a little something for everybody. For instance, they got one volume on how to trap bobcats and one on how to control stray dogs. But the one that my eye was "Problems of Present Day Poetry in Roman-ia" I also order that one for my old lady, and this column writer said I could get it by writing to the Government Printing Office, Washington 25, D. C. If you ain't got your copy yet, Mister Editor, I'd get my order today. After all, you helped pay for it.

And to put the stopper in the jug for this week's news from Washington, I see where in 1961, the Department of Agriculture sent Soil Bank checks to 2 colleges, 2 post-offices, 3 airports and 4 golf courses. I am to get my cemetery lot on the list for next year.

Yours truly, Uncle Dan

Agriculturally Speaking

By John H. Causey, Associate County Agriculture Agent

The Glades area will have a rare opportunity to be host to a group of young men and women and their leaders on December 23rd when some 400 to 500 will tour the Glades area. These young people will be in attendance at the 28th Annual Meeting of the National Junior Vegetable Growers Association, at Miami Beach. This group will tour the U. S. Sugar Company's Mill, Sugarland Ranch, local cane fields, vegetable plantings, together with the packing house operations. It is anticipated that they will have the opportunity of seeing celery, various leaf crops, radishes and corn being harvested. The noon meal will be served by the Belle Glade FFA Chapter and at this time the Community will be given a chance to tell the young people something about the Glades and its wonderful Agriculture. The young people will come from all over the United States, having earned the privilege of attending this Annual Meeting by winning a State Contest either in Demonstration, Judging, or Commercial Gardening. We expect to give these visitors something to remember and talk about when they return to their homes.

The First Annual Sugar Cane Field Day will be held at the USDA Sugar Cane Breeding Station, at Canal Point, for our local growers, on December 4th. For several years we have had tours of Louisiana Sugar Cane growers visit the Station, but this is the first held primarily for local people. There will be discussions on Disease, Virus, and Insect Control, as well as the Agronomic Aspects of growing sugar cane. The Field Day

will be highlighted by a tour of the Station Grounds, the Sugar Cane Crossing house and the World Collection of Sugar Cane. The local growers are invited to come and see the important work that is being done at this Sugar Cane Breeding Station.

Corn Growers — Having trouble with Corn Bud Worm? Several of our growers have reported this and this question was asked at our last Vegetable Growers' "Coffee" Dr. Emmett Harris, of the Everglades Experiment Station, reports it may be the Yellow Striped Army Worm rather than the Fall Army Worm or the Corn Ear Worm. He also reported that you may need to change your spray program just a little and suggested that you use 4 pints of 8 lb. per gallon of Toxaphene plus one-fourth of 8 lb. per gallon Parathion per 100 gallons of water. He also suggested that the spray pressure be reduced to 200 pounds per square inch and directed into the whorl of the stalk. This reduced pressure will permit the spray to wet the foliage and run down into the bud in the area where these insects are feeding. If you have difficulty in identifying these worms call your County Agent.

Vegetables are beginning to move in volume and last week our large volume crop, celery, began to be harvested. Along with this volume moving, "Old Man Weather" moved into the area to cause some damage to our bean crop. Frost was reported generally throughout the outlying areas with some reports of complete loss of crop. Folks were shocked with this early cold and unprepared for it. Hope this is the last one for awhile.

Castoritis Inspires Readiness Provision successors, under the law. Bandlow reported to the board that more than 900 Florida officials attended the conference last week — a meeting called hastily by the Governor for a study of civil defense facilities throughout the state.

Commissioner Edward Bandlow who last week attended a state civil defense meeting, said naming their substitutes was part of a state law and meeting the laws requirements was requested by Gov. Farris Bryant. The board is required to name three individuals in number one, two, three, or as their

Kissimmee River Gets More Work In Overall Plan

The U. S. Army Corps of Engineers today announced that bids will be opened Dec. 13 on enlargement of another section of the Kissimmee River channel.

Cost of this 7.2-mile section is expected to be about \$2.5 million and the successful bidder will be required to complete the job within 550 calendar days. Access for the dredging equipment is scheduled to be available about Feb. 15, 1963 when deepening of the first section of the channel from Lake Okechobee to the second section will be completed. Army Engineers said.

The new section of the Kissimmee River dredging will extend from the first lock and dam located about 1.3 miles below State Road 70, northward to the site of the second lock and dam, 1.4 miles below the Seaboard Airline Railroad bridge across the river.

The shallow Kissimmee River channel is being deepened and widened as a part of the Central and Southern Florida Flood Control Project. Six locks and dams are to be constructed along the 60-mile length of the Kissimmee River between Lake Kissimmee and Lake Okechobee.

Bids already have been opened on three of the locks and on dredging of the first section of the waterway starting at Lake Okechobee.

When completed, the floodway channel will provide drainage for a 738 square mile area in the central part of the state.

County Commissioners last week took under study an action in which they would name their successors in the event any board member was lost because of a nuclear attack.

Commissioner Edward Bandlow who last week attended a state civil defense meeting, said naming their substitutes was part of a state law and meeting the laws requirements was requested by Gov. Farris Bryant. The board is required to name three individuals in number one, two, three, or as their

## Doyle Conner Cites Labor Costs As Important To Fla. Agriculture

Labor costs are an important item in agriculture's expenses for production, and the trend has been steadily upward in recent years. Two recent items which came to my attention give an interesting picture of what's happening on the labor front in other fields.

One is a report by Associated Industries of Florida detailing some of the terms on which the Teamsters Union has been bargaining for a new contract with about 1,500 trucking firms in the New York City area.

Included among items sought by the union are: 35 hours of guaranteed pay per week, even if no work is available; one day's pay plus two days off for any work on Saturday, Sunday or any one of 12 holidays, including Columbus Day; pay for all holidays, including member's birthday; a week off with pay in case of death in the family; full chiropractic and dental care while employed and after retirement; a pension of \$200 per month after 20 years of work; and employer to supply, while member is on the job, safety shoes, winter coat, gloves jacket, shirt and pants.

The second item is the strike called by the Newspaper Guild against the country's largest newspaper - the New York Daily News. The Guild asked a straight 10 per cent pay increase a 30-hour work week and various fringe benefits.

Note the work week decrease.

**Rebel Restaurant**  
South Bay, Fla. 11-8-41

**GIVE IT TO YOUR AMERICAN CANCER SOCIETY**

## Social Security Number Required On All Dividend & Interest Checks

Thousands of Florida residents who receive dividends or interest from business and financial institutions will soon be requested to furnish their social security numbers to those institutions, according to Laurie Tomlinson, District Director of Internal Revenue.

Tomlinson said the legislation enacted by Congress last year requires that taxpayers record their security number on all returns filed with the Internal Revenue Service. This same legislation requires organizations paying dividends or interest to file with the Internal Revenue Service a statement of the number of the payees and to record this number on information documents furnished to the Internal Revenue Service. Tomlinson added that this information would then be associated with the taxpayers' account in the Service's new data processing system through the use of this social security or tax account number.

Tomlinson explained that a new form was developed with the help of business and financial organizations to simplify reporting requirements for taxpayers. Form 3435 will be mailed to recipients of dividends and interest requesting that they furnish their social security number to the paying institution. In the event the individual has not applied for such a number, Part 2 of the form can be used for this purpose. Many of the paying institutions will provide a space for the identifying number on the dividend or interest check and in this case the taxpayers can simply write his number in the space provided.

Director Tomlinson said that for the past six months the Service has been advising those individuals who do not have social security numbers to apply for such numbers for tax purposes. He urged those few who have not yet applied for numbers to use Part 2 of the new form to do so, and to promptly furnish the number to paying institutions on request.

Tomlinson said that supplies of Form 3435 are now available in his office for use by payers of dividends and interests and will be furnished on order. He also said that business and financial institutions should be furnished with the new form.

## Yes Sir, It's Fine Fishing I!

"We were out about three hours, and they were sure biting" report E. L. Purvis, left, and Ernest White, right, in reporting the catch shown. Danny Stanley went along with the two visitors to show them WHERE and HOW. Mr. Purvis and Mr. White are from Tallahassee and Bonifay, and are helping to build the Glades Sugar House.

## Palm Glades GS Administrative Convention Held In Belle Glade

The third annual Girl Scout Administrative Convention for Neighborhood Service Teams of the Palm-Glades Girl Scout

Council was held at the Community Methodist Church, Belle Glade with 100 volunteer personnel as hostesses. The annual session is held as a special training opportunity for these volunteers in the new program. The change comes about as a result of a study made at the University of Michigan at the request of the National Girl Scout organization, and is planned to give better service to the Girl Scouts of today. In this change, the 4 levels of program will be known as Brownies, Juniors, Cadettes, and Seniors. Many changes are being made in the way the program operates with respect to ranks, etc., but the basic principles upon which Girl Scouting has always been founded will continue. The change is made in an effort to keep up to date in the Girl Scout program, and to provide the type of activities which fit into the world in which girls live today.

Trainer for the session was Mrs. Howard Kealey of WPB Council who was selected to be to the Regional Girl Scout office at Atlanta, Ga. earlier this fall to receive her training as a trainer in the new program. Further sessions will be scheduled for neighborhood service team members, and a County-wide training program for all adult volunteers in the new program is set for the spring months, with the sessions to be given in each district.

Volunteers from Belle Glade and from Pahokee served as hostesses with Pahokee personnel taking care of registration and Belle Glade ladies providing nursery care for small children and serving coffee at noon. Pahokee volunteers also arranged for donations of Glades-grown vegetables which were given as "door prize" at the conclusion of the program, and which were enthusiastically received by the winners from the Coastal area.

More than 40 were present from the Glades and from the coastal area from Ft. Pierce south to Delray Beach. Among those attending were Mrs. Bernard Munsey, Lake Worth, Council president; Mrs. William Wolven, Lantana, District 2 chairman; Miss Barbara Bridge, executive director of the Palm-Glades Council; Mrs. Howard Kealey, West Palm Beach, District 1 chairman and trainer for the day; and Mrs. Robert Allen, Belle Glade, chairman of District 3; Mrs. Guy Wood, and Mrs. Richard Hodges, Cuscuta Apple Neighborhood; Mrs. E. C. Johnson and Mrs. Glenn Brower, Cypress Neighborhood; and Mrs. W. O. Norville and Mrs. Earl Robinson, Mango Neighborhood.

## Cub Scout Leaders Hold Conference

The Annual Gulf Stream Council Cub Leader's Pow Wow was held Saturday at Palm Beach Junior College.

Attending the event were representatives of the cubbing program from all parts of the council area, from Vero Beach to Boca Raton, along the Coast and west of Belle Glade.

Under the chairmanship of Herman Elliott, the Pow Wow conducted four major sessions: Pack Administration with chairman Chuck Gordon of Boynton Beach; Den and Pack Games with Chairman Frank Thomas of Belle Glade; Ceremonies, Skits and Stunts with Chairman Bill Wagner of Vero Beach; and Cub Handicraft with Chairman, Lester Douglas of Delray Beach. Dr. Tom Sturrock of West Palm Beach served as the physical arrangements chairman.

Attending from Belle Glade were: Ronnie Lewis, Mary Roth, F. H. Thomas and H. L. Chapman.

## Memorial Services Held By O. E. S.

The Order of Eastern Star, Chapter 197 held annual memorial services in memory of deceased members at the regular meeting Thursday night at the Masonic Temple. Mrs. Thelma Norris, associate conductress was in charge.

Among distinguished guests present were Mr. and Mrs. George Hastings of Colorado. He is the most worthy grand patron of the general grand chapter and his wife is the right worthy grand Ada of the general grand chapter and past grand matron of Colorado grand chapter. Mr. and Mrs. Ben Hoskins also of Colorado. Mrs. Hoskins is past grand officer of Colorado. Other guests were present from Pahokee.

Mrs. Hastings gave an interesting talk on work of the order and urged members to work with the youth in Rainbow and Demoday. Mrs. Hastings spoke briefly and stated they would enjoy their visit in the area.

During the business meeting with Mrs. Paye Greer, worthy matron presiding, plans were made for the official visit of Mrs. L. J. Prosser, worthy grand matron of Zephyrhills on Dec. 20.

Members were asked to bring wrapped gifts for the Masonic Home on Dec. 7 so they can be mailed on time. A letter of thanks was read from the superintendent of the home for a recent donation of fresh vegetables.

Refreshments were served by Mr. and Mrs. C. T. Pennington, Mrs. Tony Stein, and Mrs. Rose Armstrong.

nel taking care of registration and Belle Glade ladies providing nursery care for small children and serving coffee at noon. Pahokee volunteers also arranged for donations of Glades-grown vegetables which were given as "door prize" at the conclusion of the program, and which were enthusiastically received by the winners from the Coastal area.

More than 40 were present from the Glades and from the coastal area from Ft. Pierce south to Delray Beach. Among those attending were Mrs. Bernard Munsey, Lake Worth, Council president; Mrs. William Wolven, Lantana, District 2 chairman; Miss Barbara Bridge, executive director of the Palm-Glades Council; Mrs. Howard Kealey, West Palm Beach, District 1 chairman and trainer for the day; and Mrs. Robert Allen, Belle Glade, chairman of District 3; Mrs. Guy Wood, and Mrs. Richard Hodges, Cuscuta Apple Neighborhood; Mrs. E. C. Johnson and Mrs. Glenn Brower, Cypress Neighborhood; and Mrs. W. O. Norville and Mrs. Earl Robinson, Mango Neighborhood.

## Try This To Develop Patience

A. J. Albert displays the model cane wagon he designed and manufactured — a delicate 4 1/2" x 9" structure made completely with toothpicks and mastic.

"During the days I just dream up different models and at night I go to work," he explained. Currently Albert is employed as a machine operator (loader) with Glades Cooperative Sugar Company.

Sugar cane and its harvesting equipment are no new sight to Albert as he was reared on a sugar cane farm in Martinville, La., and followed the removal of machinery to Florida in August.

## Your Library

Going steady? Teen-age marriages? Yes, your library has authoritative books on both of these subjects to enlighten parents and teen-agers.

WHAT ABOUT TEEN-AGE MARRIAGE? by Jean Sakol. A discussion of teen-age marriage and all of its aspects—emotional, sexual, spiritual, financial. The author takes no sides — pro or con. The facts are interestingly reported so that teen-agers can determine for themselves whether they are mature enough, and sure enough, to take the most important step of their lives.

TARRY AWHILE by Weber. The fictional heroine, Beany Malone, enters college happily engaged to the boy next door, and willing to wait till he finishes college to be married. Suddenly almost everyone of her friends get married, and she becomes increasingly unhappy because her fiancé still believes in waiting till after college to be married. As time goes on she sees the sometimes agonizing results in each of her friends' marriages. As Beany's increasing maturity leads her in the happy direction, young girls will learn through another's experience that it is often best to tarry awhile.

TOO LATE TOMORROW by Kissinger. This novel for teen-agers tells of Peggy Riddles Struggles with her parents who she thought — had an incredible lack of understanding about steady dating. When a handsome senior class officer has chosen her to wear his class ring she looks forward to being his date at all important senior year events. Her disappointment when her parents forbid this is made harder to bear when her best friend, Donna, elopes. To Peggy their domestic bliss seems very appealing. But she learns through her continued friendship with Donna that all is not perfect and that love CAN wait.

## Director Csonka At Norton 12-5th In Die Fledermaus

The Artists' Guild, a group of productive painters and craftsmen, and part of the Palm Beach Institute, Norton Gallery and School of Art, will benefit by a performance of "Die Fledermaus," a comic opera in English, by the Civic Opera of the Palm Beaches, to be given at the Henry Flagler Museum on December 5th at 8:30 o'clock.

This is an opportunity for those interested in encouraging cultural activities in this area to assist two worthy, non-profit organizations; as well as enjoying an evening of the gay music of "Die Fledermaus," conducted by the world famous Director, Dr. Csonka.

From December 1st through December 5th there will be an exhibition of the paintings of the members of the Artists' Guild in the Flagler Museum. Tickets for the performance of "Die Fledermaus" on December 5th may be had by calling Paula Thayer Davis, JU 2-9333.

When you give... we can help

ust. This model, he explains, took him 44 hours to complete. "I talked to one of the engineers who says it takes a man 50 hours to build a regular cane loader," he boasted.

Intricate lattice work designed like the steel models plus the tripper slide (jointed with toothpicks) would try the patience of a saint, but would certainly be a patience builder.

"I was one of 16 children and didn't go to school," Albert said uncomplainingly, but I know machinery." Since he left home at the age of 18 he has traveled the country over (he is now 29) and never been unemployed long. "I can just look at a big machine and figure out how to run it." This, in Albert's opinion, relieves him of any need for schooling.

While employed in Mississippi he made model steam ships and sail boats — also out of toothpicks. He has also made ladies' earrings and purses, he says.

"I'm working on some inventions now," he informed, "and if they turn out I'll be set."

Books are an aid to learning, but all learning isn't in books, we were reminded by the brief visit with this happy matured boy who's hobbies bring alive his dreams.

We do regret tho, that Albert will not be reading this.

## Anna F. Bell Exhibits At Norton On Sunday

An exhibition of paintings by Anna F. Bell of Hobe Sound will be on view at the Norton Gallery beginning Sunday, November 25.

Anna F. Bell is a Kentuckian by birth; spent most of her life in Ohio, and in 1947 moved to Hobe Sound, Florida.

Mrs. Bell has paintings in private collections in Sandusky, Columbus, and Galena, Ohio. Also Phoenix, Arizona, Los Angeles and in her own hometown of Hobe Sound.

The exhibition will be open to the public Sunday, Nov. 25th. Gallery hours are from 10 a. m. to 5 p. m. on weekdays, 1:30-5:30 on Sundays. Gallery is closed Monday. Admission is always free.

"All I want for Christmas is my own EXTENSION phone"

Who wouldn't love the bright surprise of a very personal extension phone! In a pretty, favorite color, of course. Fun and privacy for the teenagers—comfort and convenience for the grownups. These are the thoughtful things you give when you give extension phones. Other modern telephone conveniences to consider for giving: the melodic Bell Chime, the time and step saving Home Interphone. Just call our business office.

**JEEP' GLADIATOR**

The Gladiator is the newest of the versatile, powerful, virtually indestructible 'Jeep' vehicles. On the highway, it rides as smoothly as a passenger car. Off the road, it's as sure-footed as only a 'Jeep' vehicle can be.

The Gladiator has the remarkable new 140-hp Tornado-OHC engine. It's the only overhead camshaft engine in any American truck. Its higher torque at lower engine speeds makes light work of heavy loads. And it needs less maintenance, uses less fuel and will last longer than any comparable conventional engine.

It's easy to shift the Gladiator into 4-wheel drive. Just one knob does the job. Push it forward when you need extra traction, pull it back when you don't. Unique signal lights on the dashboard tell you when you're in 2- or 4-wheel drive.

You can have your Gladiator equipped with automatic transmission and independent front suspension. Don't waste time looking for other 4-WD trucks with these features. There aren't any.

It's the only 4-WD truck that can seat three comfortably. And in both step-in height and load height it's comparable to any truck. It's easy to step into, easy to load, yet it has traditional 'Jeep' ground clearance.

Choose the 'Jeep' Gladiator that suits you best—J-300 with 120-inch wheel base and 7-foot box, J-500 with 126-inch wheel base and 8-foot box. Choice of body styles with GVW's from 4000 to 8600 pounds. Step in. Size it up. Try it out at your 'Jeep' Dealer's.

**all new all Jeep**
